CITY OF ALBUQUERQUE

LOW WATER-USE DISHWASHER REBATE PROGRAM

PROGRAM REQUIREMENTS:

- You must be a water customer of the City of Albuquerque and install the System at your service address. Call (505) 768-3655 or (505) 768-2800 if you need to confirm eligibility.
- The Low Water-Use Dishwasher must remain in the possession of the original purchaser, or remain at the original installation address, for at least one-year from the date of purchase.
- The dishwasher must be new. The dishwasher must be a qualifying model approved by the City of Albuquerque. A list of qualifying dishwashers is available on the website or by calling 768-3655.
- Rebates are available to the following water customer groups:
 - single family dwellings, including townhomes and mobile homes
 - apartment complexes
 - commercial institutions
 - commercially zoned businesses or institutions
- Maximum rebates allowable:
 - a) \$50 per single family account
 - b) \$5,000 per commercial industrial or institutional account, per fiscal year (July 1 through June 30).
- Some installations may be selected for a random inspection. At reasonable times and with reasonable notice, you agree to allow the City of Albuquerque to inspect the System at the installation address for up to one-year after purchase.
- Rebates will be issued as a credit to the City of Albuquerque water bill for the installation address. Failure to comply with the terms of this program shall result in revocation of the rebate. Your rebate should appear on your water bill one to two billing cycles after your form is processed.
- The effective date of this program is July 1, 2003.
- In the event this program is discontinued, this voucher will be honored only if received by the City of Albuquerque within 60 days after the date of purchase.
- Copy of receipt must be mailed in with the rebate form.
